Pre-Freshman Summer Program

The Pre-Freshman Summer program is a 10 day program for incoming MAP students before the start of the Fall semester. Entering MAP students are required to attend the fully funded, co-curricular freshman summer program, which allows them to become acclimated to all aspects of college life. The program provides an academic foundation for the next four years; students participate in preparatory seminars, workshops, social activities, study groups and individual tutoring.

Frequently Asked Questions

Is there a certain GPA I must have to apply for MAP?
There is no GPA requirement to apply for the program, but accepted students must maintain a 2.8 semester GPA.

How much money does the MAP scholarship give?
The scholarship is based on the individual student’s need. This is reviewed each year, along with completion of the FAFSA.

Will I have to reapply each year?
Once a student is accepted to the MAP Program, they do not have to reapply but they must meet the program requirements.

If I don’t apply for a MAP scholarship in my Freshman year can I apply in my Sophomore year?
The MAP Program is only open to incoming, first semester freshman.
